

Renata Jayne  
Presents

# The Easter Show

Bunny ears, Easter time and some lost Easter eggs! Where did Easter Bunny hide them? Did he leave them in the purple circle shaped box? Maybe they're in the blue square box? Renata finds some funny things along the way and the children are involved in songs and stories with their own bunny ears. A fun show with an added bonus of recognizing colours and shapes...oh, and a chocolate egg for everyone as a special show treat!
